

REMARKS

A. Regarding the Amendments

This preliminary amendment is being submitted in conjunction with a Request for Continued Examination. Prior to filing of the RCE, the application had been allowed and the issue fee paid. With the Notice of Allowance, the claims were amended by Examiner's Amendment. By the present amendment, the claims incorporate the substantive amendments made by the Examiner's Amendment, but do not utilize the Examiner's renumbering of the claims. Claim numbers are maintained, as utilized throughout prosecution.

Claim 15 has been amended as set forth above in the Complete Listing of the Claims. The amendments to claim 15 simply removed part (d), which was repetitive of part (b). Additionally, new claims 20-22 have been added. As submitted the claims are fully supported by the specification and the claims, as originally filed.
